CHOOSE THE RIGHT VERSION FOR YOU

Silent, reliable, fast, compact,
and naturally versatile
thanks to the three new versions
of the Talento touch
superautomatic machine
that respond to increasingly
diverse demands.

TALENTO STANDARD FOR MAXIMUM SIMPLICITY

The productivity and silence of the Talento, along with the touchscreen display, allows for better user experience. The brand-new display offers different types of settings for daily cleaning and maintenance so that it can always be efficient and ready to brew great drinks.

EASYCREAM

TO MAKE AN EXCELLENT LATTE CREAM WITH A CLICK

Thanks to the installation of the Easycream system and the new drinks such as filter coffee, the Talento Touch is the ideal machine for coffee shop chains that need a high-quality product that is also simple and fast to use.

SELFSERVICE

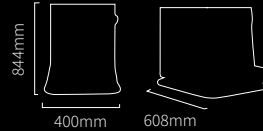

TO ALLOW EVERYONE TO PREPARE A GREAT CUP OF COFFEE

Ideal for breakfast service in a hotel/B&B, and places where there is a need for high quality beverages and fast service. Just a touch is needed to prepare 20 high-quality milk and coffee-based drinks.
